Greetings Golfers and Supporters,

The JCSCI Foundation would like to extend a heartfelt invitation to you to participate in our 7th annual golf tournament. A fundraising campaign has been established in Justin Cochran's honor with the Catastrophic Injury Program of the National Transplant Assistance Fund (NTAF). This year's tournament will take place at Egwani Farms Golf Course in Rockford, TN. Funds raised through the golf benefit and generous individual donations will help to pay Justin's medical and living expenses ensuring that he can live independently in our community and can continue to encourage other spinal cord injury survivors to live a healthy and active lifestyle after an injury.

This year's golf benefit will take place on **Tuesday, June 14, 2010 with a shotgun start at 8:30 AM.** Preparations are under way for another fun-filled day of golf accompanied by great food, gift packages, door prizes, and a **SILENT AUCTION.** Any person lucky enough to score a hole-in-one on a designated par 3 could drive away with a **New Car***. All levels of participation are welcome and greatly appreciated. If you are unable to golf that morning, there are many other ways to get involved and be supportive. Various levels of sponsorship are available, and we always welcome anyone who wants to volunteer their time to help with such a great cause!

To speed up post play award presentations, all door prizes will be drawn during tournament play. Players can check prize status at the half way point and pick up prizes immediately following play. Lunch will be provided. **Team prizes, longest drive, and all par 3 hole contests will be awarded during lunch from 12:30 – 1:30 PM.**

Attached is the registration form for this year's golf benefit. Please complete and mail to the address provided on the form. If you know of other individuals who would like to participate, additional copies of the registration form may be printed from our website at www.jcscifoundation.org.

We appreciate your support and look forward to seeing you at Egwani Farms on June 14th.

Sincerely,
Mike & Dan Cochran
